

Londa is Cyprus' first couture hotel. A refined, contemporary property, the 68-room hotel is set back from the bustle of Limassol, its shore-side setting reflecting the aura of calm and elegance. The hotel's pool and terrace are fabulous locations to lap up the Mediterranean sun, or enjoy cocktails in the evening. A Moments at Londa mindset drives the portfolio of personalised 'On Call' services. Take the business facilities at Londa – the PA on Call means direct access to a Personal Assistant, while wireless internet connection is active in the public areas, including the open-air terrace.
