

The exclusive Columbia Beach Resort, based on a traditional Cypriot village style and awarded numerous times by the prestigious World Travel Awards as a 'Cyprus Leading Resort', ambles gently from the crystal-clear waters of Pissouri Bay, following the natural incline of the landscape, so that most suites have a spectacular sea view or a view to the stunning lagoon-style swimming pool and beautiful gardens.

Featuring the distinctly Cypriot architecture, the hotel offers 169 luxurious suites.

This five-star luxury resort is an ideal place for leisure and business travelers as it offers a wide range of gourmet restaurants, award-winning spa, two pools and a well-equipped conference centre for business meetings, incentive groups or private parties.
